[redacted] a decree of 15 February 1951 [redacted]  
stated that all people-owned or other enterprises on the same level must conclude  
collective agreements. Of the 5713 enterprises affected, 5529 concluded contracts. [redacted]  
[redacted] One of the  
main difficulties was that the industry-wide model contracts on which the individual  
enterprises based their contracts were not completed in time by the competent Ministries.
